Letter of Guarantee

"Regarding the expected guarantee period or the life of CMS-F once it is loaded properly into the system should be around 8-10 years, provided the compressed air fed through C.M.S bed in the PSA tower is free from water (Dew Point <math><3^{\circ}\text{C}</math>) and oil components (<math><0.003\text{ mg/m}^3</math>) and the PSA-unit operates under the original Design Conditions"

Best regards
